Bring Nature Home with Our Stone Collection

Discover the timeless beauty of nature with our Ceramic Tiles **MORAINE Collection**, crafted to bring the elegance of natural stone into modern living spaces. Designed with precision and inspired by real stone textures, this collection offers a perfect blend of durability and aesthetic appeal for both residential and commercial environments.

Each tile in the **MORAINE Collection** captures the raw charm of natural elements such as granite, marble, slate, and Dunestone. With advanced printing technology and high-definition surface detailing, these tiles replicate the intricate patterns and textures found in real stone, delivering a luxurious and authentic look.

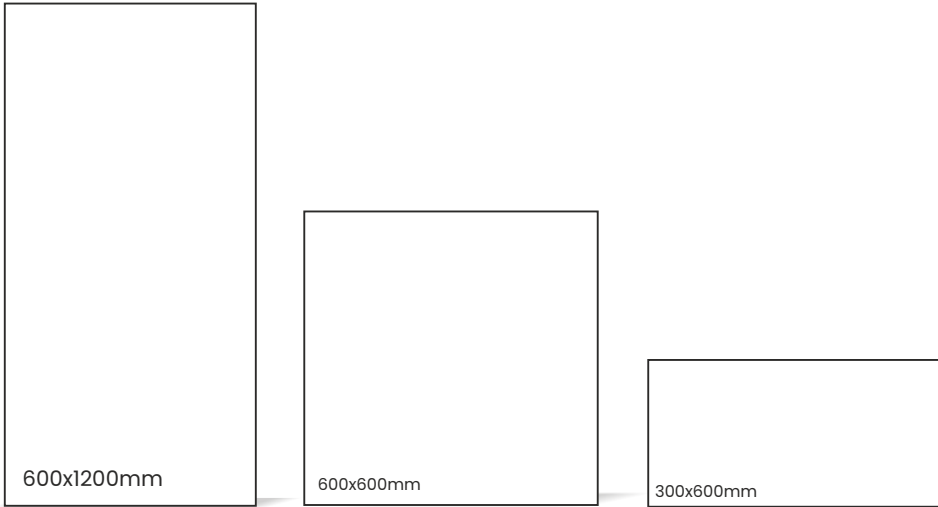

Old Is Gold

The Essence of Stone

The Ceramic Tiles **MORAINE Collection** is a perfect fusion of natural beauty and modern craftsmanship, designed to bring the essence of real stone into contemporary spaces. Inspired by nature's finest textures, this collection delivers an elegant and timeless look that enhances any interior or exterior setting. Crafted using advanced technology, each tile in the collection replicates the intricate details of natural stones like marble, granite, and slate. The realistic patterns, rich textures, and refined finishes create a luxurious appearance while maintaining the practical benefits of ceramic tiles.

Tailored for
Every Environment

Available in **elegant colours** and three harmonised surface textures, the collection offers exceptional design versatility. Its format selection includes the practical 60×120 cm size alongside a square option, which is also offered in an outdoor R11 slip-resistant finish. Thoughtfully developed to balance style and performance, the collection delivers a complete solution that meets the aesthetic and technical demands of both indoor and outdoor spaces.

DUNE — FINE, SMOOTH, SAND-SCALE

Warm, earthy beige tones with a subtle textured finish, creating a calm and timeless look. Durable, versatile, and ideal for both residential and commercial spaces.

PEBBLE — SMALL TERRAZZO CHIPS

Rich stone-inspired grey tones with a natural textured finish, offering a bold and contemporary look. Durable, versatile, and perfect for modern residential and commercial spaces.

BOULDER — BIG TERRAZZO

A bold, full-bodied stone-inspired design with deep grey tones and a natural textured finish. Built for durability and style, it adds a strong, sophisticated character to residential and commercial spaces.

Application Areas

From residential interiors to large-scale commercial spaces, the surfaces from the **MORAINE Collection** offer significant advantages across multiple settings. Here are some key application areas where these surfaces make an impact:

Kitchen
Countertop

Staircase
